Limited Review Report on unaudited financial results of Annapurna Finance Private Limited for the quarter ended 31 December 2021 and year-to-date results for the period from 1 April 2021 to 31 December 2021 pursuant to Regulation 52 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Annapurna Finance Private Limited

- 1. We have reviewed the accompanying Statement of unaudited financial results of Annapurna Finance Private Limited ("the Company") for the quarter ended 31 December 2021 and year-to-date results for the period from 1 April 2021 to 31 December 2021 ("the Statement").
 - Attention is drawn to the fact that the figures for the corresponding quarter ended 31 December 2020 and the corresponding period from 1 April 2020 to 31 December 2020, as reported in these unaudited financial results have been approved by the Company's Board of Directors, but have not been subjected to review since the requirement of submission of quarterly standalone financial results has become mandatory with effect from quarters ending on or after 30 September 2021.
- 2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim Financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 5. As more fully described in Note 4 to the financial results, the extent to which the COVID-19 pandemic will have impact on the Company's financial performance is dependent on future developments, which are highly uncertain.
 - Our conclusion is not modified in respect of the above matter.

6. The financial results of the Company for the year ended 31 March 2021 have been audited by the predecessor auditor whose report dated 30 June 2021 had expressed an unmodified opinion.

Our conclusion is not modified in respect of this matter.

- 4 Consequent to the outbreak of the COVID-19 pandemic, the Indian government announced a lockdown in March 2020. Subsequently, the national lockdown was lifted by the government, but regional lockdowns continue to be implemented in areas with a significant number of COVID-19 cases. The impact of COVID-19, including changes in customer behavior and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. This may lead to a rise in the number of borrowers defaults and consequently an increase in corresponding provisions. The extent to which the COVID-19 pandemic, including the current "omricon and third wave" that has significantly increased the number of cases in India, will continue to impact the Company's performance and will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government mandated or elected by the Company.
 - The Company has incorporated estimates, assumptions, judgements specific to the impact of the COVID-19 pandemic and the associated support packages in the measurement of impairment loss allowance. The final impact of this pandemic is very uncertain and the actual impact may be different than that estimated based on the conditions prevailing as at the date of approval of financial results.
- 5 The Indian Parliament has approved the Code on Social Security 2020 which would impact the contribution by the Company towards Provident Fund and Gratuity. The ministry of Labour and Employment has released draft rules for the Code on Social Security, 2020 on November 13, 2020, and has invited suggestions from stakeholders which are under active consideration by the Ministry of Labour and Employment. The Company will assess the impact and its evaluation once the subject rules are notified and will give appropriate impact in its financial results in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.
- 6 During the quarter ended December 31, 2021, the Company has issued compulsory convertible debentures amounting INR 150 crores and compulsory convertible preference shares amounting to INR 259.27 crores.
- 7 The Company has allotted 26,900 equity shares and 30,900 equity shares during the quarter and nine months ended December 31, 2021 respectively, pursuant to the exercise of options under the employee stock option schemes.
- 8 The Company is primarily engaged in the business of financing and there are no separate reportable operating segments identified as per the Ind AS 108 Segment Reporting
