

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Annapurna Microfinance Private Limited

We have audited the accompanying interim condensed financial statements of Annapurna Microfinance Private Limited ("the Company"), which comprise the interim condensed Balance Sheet as at September 30, 2017, the interim condensed Statement of Profit and Loss and interim condensed Cash Flow Statement for the six-month period then ended, and a summary of select explanatory notes.

Management's Responsibility for the interim condensed financial statements

The Company's Board of Directors is responsible with respect to the preparation of these Interim Condensed financial statements in accordance with the basis of preparation as set out in note no.2 of the interim condensed financial statements. The Board of Directors is responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the interim condensed financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the interim condensed financial statements

Our responsibility is to express an opinion on these interim condensed financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the interim condensed standalone financial statements that are not materially misstated in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the interim condensed standalone financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the interim condensed financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the accompanying interim condensed financial statements have been prepared, in all material respects, in accordance with the basis of preparation as set out in note no.2 of the interim condensed financial statements.
