Plantation Program on Gandhi Jayanti at Smritivana

On the occasion of 150th Birth Anniversary of Mahatma Gandhi, Annapurna Finance Private Limited planted saplings in Smritivan, Bhubaneswar. With the presence of our Honourable Director Mr. Dibyajyoti Pattanaik, Annapurna family took this noble initiative as a stepping stone of "PLANT A TREE TODAY FOR A BETTER TOMORROW" program.

The day started by paying homage to Mahatma Gandhi followed by the plantation of saplings. Our Honourable Director rightly showed us the way forward with his words, "It is just a beginning and to offer a better planet to the next generation, we will plant more plants." He also expressed his concern about the recent adverse effects of Global Warming & Climate Change. He added, "Annapurna along with its products and services equally values the environmental perspective." He reminded us of the life lessons of Mahatma who devoted his life for the betterment of our country and motivate us with his ideology.

Young leader and Management Associate Meet at Puri

Annapurna Finance is the organization who has always been very passionate about their young human resources. In order to motivate the young professionals, AFPL organized the Young Leader meet and Management Associate Meet 'Carvaan' at Puri. Along with this, a training programme was organized to strengthen the team bonding and strategic orientation of the young talents of Annapurna. The meet was a grand success and the experiences shared by the Management Associates was the real outcome of the event. Hounourable MD Mr. gobinda Chandra Pattanaik expressed his expectations from the young human resources.

Annapurna put their mark on Arctic

Mrs. Neelima Mishra, a Naturalist and an Outcome and Impact Assessment specialist with Govt. of Odisha recently completed her Arctic Expedition.

With the increasing concern of Climate Change and Global Warming, the environmentalists and the NGOs have already started their campaigns and activities. As a pro-environment initiative, Mrs. Mishra joined Climate Force Arctic Expedition 2019 during the month of June.

We, the Annapurna Finance along with our development objectives have always prioritized the environmental issues. With this vision, we introduced products like SWASTH (Safe water and Sanitation to Household) and Solar Loan (Loan for Solar light, solar fan etc.).

Annapurna finance sponsored a part of her expedition under CSR as a duty towards the environment. We were very excited at the same time as it was the first time we put our IMPRESSION over Latitude 80° N.

Mrs. Neelima Mishra came down to our Head Office at Bhubaneswar to share her experience as well as concerns. It was a nice session experienced by our HO Staffs. We as one of the largest family in microfinance sector always look forward to do something for the society and environment.

Python training at Annapurna HO

Annapurna Finance with an intent to take its decision making through data analytics to another level, conducted a 4-day training session on "Data Analytics using Python". The training was conducted by professionals from InsAnalytics, Mr. Goutam Das and Ms. Amrita Saha. The training was conducted for employees from all the departments who use data analytics in their day to day work. In the advanced world of data, as famously quoted, "Data never lies", Annapurna is looking forward to achieving new heights with this skill development in its employees.

Embraced with Culture: Dandya Night to celebrate the festive season

Annapurna Finance Private Limited family enjoyed the Navratri with a Dandya Night. Our Honorable Director Mr. Dibyajyoti Pattanaik made the event a great success with his gracious presence. The energy was high, music was loud and the sticks were in sync. The night really turned into a family get together. Our Director Sir wished everyone a Happy Navratri and Happy Durga Puja.
